

## **MRMS 7th Grade Atlanta Trip 2017 Behavior and Expectations**

All students are expected to represent Marvin Ridge Middle School in a positive manner while attending this field trip. Please review these expectations with your child prior to the trip. We appreciate your support as we implement and maintain an orderly and safe environment for all students.

- Students should report to their chaperones and stay with them at all times when touring the sites of Atlanta.
- Students should remain in their hotel room after curfew. No exceptions.
- Students should be obedient to the staff and adults they come in contact with at the hotel and facilities we are visiting.
- Students are to clean up after themselves. They should not leave trash behind on the bus, the hotel premises, restaurants, or any other grounds we visit.
- Students are to be in dress code on this trip. No exceptions.

### **Student Cell Phone Use:**

Students will be permitted to use their cell phones if they have them. However, the bus leaders will direct them when an appropriate time would be. Specifically students want to make sure when they are receiving instruction from a teacher, parent, or tour guide they should have their devices put away. There will be plenty of time to take pictures and have fun with friends but we need to make sure they are using their technology appropriately. Chaperones have been instructed to take any device if a warning is given and behavior continues. Parents will be contacted if this would occur.
